Rick's World of Illusion

Rick's Magic brings life-saving messages to people all across the USA. Rick has developed a series of public, school and church programs that are making a difference in the way people think about themselves and life. As a result, people are more aware, of not only the problems, but of several practical solutions that can be implemented on an immediate basis to change their lives.

Dr H brings over 23 years of experience and commitment to every assembly he performs. Dr H is especially sensitive to the real issues that challenge our youth in today's society. He is passionate about the messages he brings. Dr H has received high praises from law enforcement officials, parents of the children to whom he has spoken and educators.

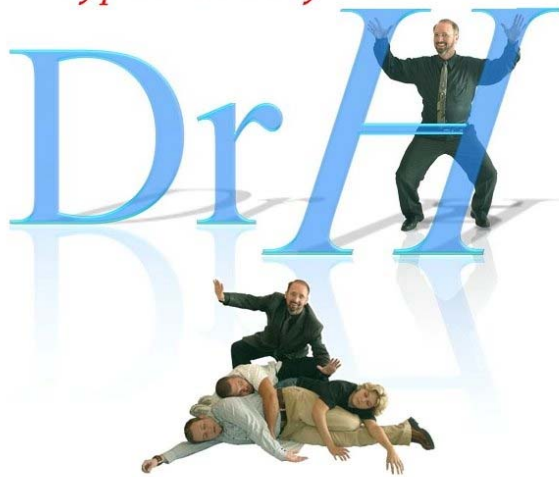

The RWI programs help to teach concepts of having a safer non-violent environment , educates the audience to the dangers of using alcohol, drugs and tobacco. Dr H delivers words of hope and mental motivational tools to make a difference as well as teaching values and motivational skills to succeed in life. Dr H promotes having a good attitude about ones self, others and he promotes desires for better education.

Let's do everything possible to impact the lives of our youth today! You can begin right now to invest in the lives of young people by sponsoring a motivational program for your group, school or organization.

"Fundraising Made Easy & Worry Free"

The whole program works as a fundraiser that is held for an evening performance. I will produce the show by providing posters, tickets, press releases and door to door scripts (to make selling tickets easy). I will use my money to make you money. Simply "NO RISK" to you!

This is the perfect fundraiser for any organization to promote. The shows is self contained and comes complete with sound and lighting equipment. Each program will last between sixty to ninety minutes.

The amount of money your organization makes depends on the amount of tickets sold. The first 100 tickets pay the costs for Rick producing the show. After that, 60% of all ticket sales will go to your organization. (This is unheard of in the fundraising industry today).

Here is how the program works: Let's say tickets will be sold at \$8.00 each. I issue your organization 600 tickets. At the end of the show, you hand me 125 unsold tickets . 125 from 600 equals 475. This means you would have sold 475 tickets. $475 \text{ minus } 100 = 375$. We then multiply 375 by \$8.00 to find out the gross sales. In this case it would be \$3,000.00. $\$3,000.00 \times 60\% = \$1,800.00$. This means your organization made \$1,800.00 without spending a single penny. Great money, great show and everyone is happy!

If your organization sold 1,000 tickets you would profit \$4,320.00.

Why have a Prom / Graduation party!

The Model:

Proms and graduation ceremonies have often been the occasion for widespread drinking by students, followed frequently by dangerous driving episodes. To keep the students safe, Beyond Your Imagination can work with local organizations, schools and parents to organize an alternative: an all-night party after the prom or graduation. The students will have fun, and they will be much less likely to drink and drive.

Objectives:

1. Keep young people safe and motivated after prom graduation.
2. To involve parents in a formal program to keep their children from drinking that night after graduating.
3. Impress young people with the fact that you can have fun without drinking. To inspire and build a memory that will last them for a lifetime!

Methods:

1. Contact the PTA to find parents who will work on the project.
2. Find local businesses that will supply prizes for drawings at the party.
3. Arrange for volunteers to work the party.
4. Work with school officials and student leaders to gain their support.
5. Rent a location for the party: a school gym, a banquet room, etc.
6. Arrange for the local newspapers and radio stations to publicize the event.

Benefits:

1. Save teens from the disasters that come from drinking and driving.
2. Reinforce the efforts of parents who are trying to keep their children alcohol-free.
3. Attract new volunteers from the ranks of parents and school officials.
4. Gain publicity from the media coverage of the event.
